**Re: BID TABULATION
RETROFIT EXISTING FLATBED TRUCK FOR SNOW REMOVAL**

Policy Issue: City policy requires Governing Body acceptance of competitive bids for city vehicle purchases.

Recommendation: Staff recommends accepting the low bid from American Equipment for a total cost of \$38,958.15.

Background: Retrofitting this flatbed truck will allow Public Works to have another truck to be used for snow removal.

Budget Impact: Money was encumbered from the 2009 Public Works operating budget to cover this cost.

Attachment: Bid Tabulation.
