

PUBLIC WORKS COMMITTEE
COMMITTEE ACTION: February 24, 2010
FOR COUNCIL ACTION: March 1, 2010

CONSENT AGENDA:

Waive Consultant Selection Process and Approve Sys-Tek for Design Services - Energy Efficient Building Upgrade Program (PB-1341).

The Public Works Committee unanimously recommends waiving the consultant selection process and approving the selection of Sys-Tek for design services to provide design-build criteria and construction services for upgrading of building mechanical systems.

The City has received a grant from the Department of Energy to upgrade mechanical systems in several City buildings. Staff requires mechanical design services to develop the project design-build criteria and provide services during construction. All design services for this work will be reimbursed through the Department of Energy grant program.
