

PUBLIC WORKS COMMITTEE
COMMITTEE ACTION: February 24, 2010
FOR COUNCIL ACTION: March 1, 2010

CONSENT AGENDA:

Revise the 2011-2015 CIP - Advance the Scheduling of 143rd, Quivira to Switzer.

The Public Works Committee unanimously recommends revising the 2011-2015 CIP to advance the scheduling of 143rd Street, Quivira to Switzer from a late 2010 bid opening to an April 2010 bid opening and advance the construction year from 2011 to 2010.

The current bidding environment for thoroughfare construction is favorable to the City. Prices bid on recent projects in the area have been significantly below the Engineers Estimates. It is possible this bidding environment will change by the end of this year with associated price increases.
