Re: Agreement – Kaw Valley Engineering, Inc. for field and laboratory testing of construction materials for Antioch Road, 119th Street to I-435 for a total fee not to exceed \$71,740.

Policy Issue: City policy requires Governing Body approval of Agreements when consideration exceeds \$50,000.

Recommendation: Staff recommends approving the Agreement with Kaw Valley.

Background: Proposals were mailed to nine testing laboratories and, of the three submitted, Kaw Valley was the lowest and best proposal.

Budget Impact: The Capital Improvements Program has sufficient funds included in TH0853 for these testing services.

Attachment: Agreement.
