From: Doug Brown
Director of Public Works

Re: Agreement – City of Leawood for the public improvement of Nall Avenue from College Boulevard to 119th Street, part of the 2010 Microsurfacing Program.

Issue: City policy requires Governing Body approval of agreements when consideration exceeds \$50,000.

Recommendation: Staff recommends approval of the Agreement with the City of Leawood.

Background: The City of Overland Park performs a Microsurfacing Program each year as part of our annual Street Maintenance Repair Program. This section of Nall Avenue is located in both the City of Overland Park and the City of Leawood.

Budget Impact: The total cost for the microsurfacing on Nall Avenue is estimated to be \$178,400, which will be split 50/50 between the cities. Sufficient funds are budgeted in the 2010 Street Maintenance Repair Program budget.

Attachment: Agreement.
