From: Doug Brown
Director of Public Works

RE: Agreement No. 20-10 - Kansas Department of Transportation (KDOT) for construction engineering inspection by City for Antioch Road from I-435 to 119th Street (KDOT Project No. 46 N-0374-01).

ISSUE: KDOT requires Governing Body approval of all City-State Agreements.

RECOMMENDATION: Staff recommends approval of the Agreement between KDOT and the City of Overland Park.

BACKGROUND: This Agreement allows the City to use its own construction inspectors to inspect the project. Without this agreement, KDOT would need to have their staff inspect the project and the City would be required to reimburse KDOT for their inspection costs.

BUDGET IMPACT: There is no impact to the project budget.

Attachment: Agreement No. 20-10.
