Re: Change Order #1
2009 Collector Street Lighting (SL-0598)

Policy Issue: City policy requires Governing Body approval of monetary change orders to existing contracts when the aggregate amount of the change orders exceed 10% of the base contract amount.

Recommendation: Staff recommends approval of Change Order #1 for the amount of \$26,080.00 bringing the total contract amount to \$170,266.20.

Background: This Change Order is for lighting modifications at three different locations, Floyd Street, between 143rd Street and 145th Terrace, 139th Terrace and Golden Bear Drive, and 132nd Terrace and Lamar. The proposed work is similar to that currently being performed for the 2009 Collector Street Lighting Project. Staff determined that adding the modifications as a change order would be more cost-effective than bidding as an individual project.

Budget Impact: The Capital Improvements Program has sufficient funds included in SL-0598.
