RE: Hybrid Vehicle Purchase
TIP # 350210

Dear Mr. Acord:

Congratulations, the above referenced project was awarded \$80,000 in 2010 Kansas Congestion Mitigation/Air Quality (CMAQ) funds through MARC's CMAQ Committee in January 2010. Since that time, the 2010 Kansas CMAQ funding recommendations were approved by the MARC Board of Directors and have been incorporated into the 2010-2014 Transportation Improvement Program.

In order to receive your awarded funds, coordination and agreement with the Kansas Department of Transportation (KDOT) will be necessary. We request that you contact Sondra Clark at KDOT to coordinate project development activities and begin moving your project towards obligation. Ms. Clark may be reached at:

Kansas Department of Transportation
