Re: Bid Tabulation –
2010 Residential Street Program (SR-0841)

Policy Issue: City policy requires Governing Body approval of competitive bids.

Recommendation: Staff recommends accepting the bid from Miles Excavating, Inc., for a total bid of \$3,783,229.20.

Background: This project will complete the Residential Street Program which began in 1988. The project includes reconstructing existing ditched streets to include curb and gutter, storm sewers, new asphalt pavement, new street lighting, and sidewalks.

Budget Impact: Sufficient funds are budgeted in the CIP (SR-0841). Funding will come from general obligation bonds, 1/8 cent sales tax, the Stormwater Utility Fund, and the Stormwater Management Advisory Council (SMAC).

Attachment: Bid Tabulation.
