Director of Public Works

Re: Bid Tabulation – KLINK 1R Resurfacing Project – FY 2010, Metcalf Avenue, 75th Street to 645' south of Shawnee Mission Parkway; and 86th Street to 99th Street (KDOT Project No. 169-46 U-2143-01)

Policy Issue: City policy requires Governing Body acceptance of competitive bids for city projects.

Recommendation: Staff recommends accepting the low bid from O'Donnell and Sons Construction Co., Inc. for a total bid amount of \$1,593,038.30.

Background: Metcalf Avenue is a city connecting link (KLINK) for State Highway US-169. This street resurfacing project includes mill and overlay on Metcalf from 75th Street to 645' south of Shawnee Mission Parkway and from 86th Street to 99th Street.

Budget Impact: Partial funding will come from the Kansas Department of Transportation (KDOT) and the remainder will come from the 2010 Street Maintenance and Repair Program.

Attachment: Bid Tabulation.

cc: Dan Miller, City Engineer
