Proposal to:

**City of Overland Park
NP Properties LLP**

Homer's Coffee House would like to host "Pickin' on the Patio" this summer.

This would be a open mike/jam session event every Monday night from approximately 7:30 to 9:30 PM, beginning after Memorial Day and ending before Labor Day.

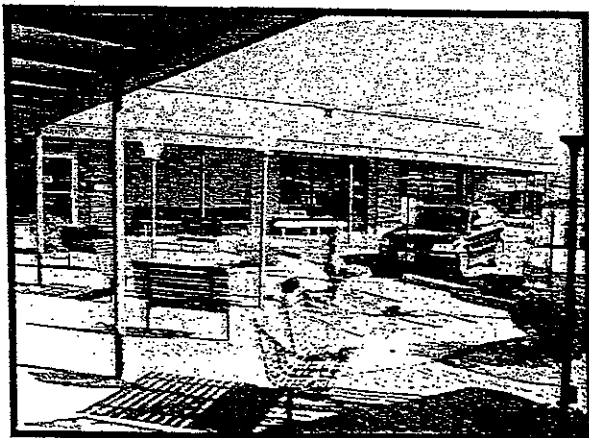

It would be mainly acoustic music played just outside of Homer's Coffee House at 7126 W 80th Str. There would most likely be a small sound system, but the music would only be heard from a short distance. We don't anticipate the use of drums or loud instruments.

The purpose of "Pickin' on the Patio" is two-fold. First, to provide entertainment for our patrons, and second, to foster relationships among members of the local musical community.

Local musicians would take turns hosting, and would in turn, encourage others musicians to play a few songs. We see the atmosphere as very laid-back and relaxed - a nice way to spend a summer evening.

The music would begin after other businesses in the area, except the restaurant, close. We would not take up any parking spaces or intrude on traffic in any way. Below is a photo of Homer's showing the area we would like to use.

Let's us know if you need more information in order to allow this usage.

Thanks,

Jim Mathis
