To whom it may concern,

We were approved for hanging 2 special events banners on the chimney of our building. The four permits will allow us to hang the banners from June 1st – July 10th. The banners will have our logo on them to help people find our location. As stated in our previous letter, our address is 6717 Shawnee Mission Parkway, but we are actually located on the Frontage Road along Shawnee Mission Parkway. We hope these banners will decrease confusion for our customers.

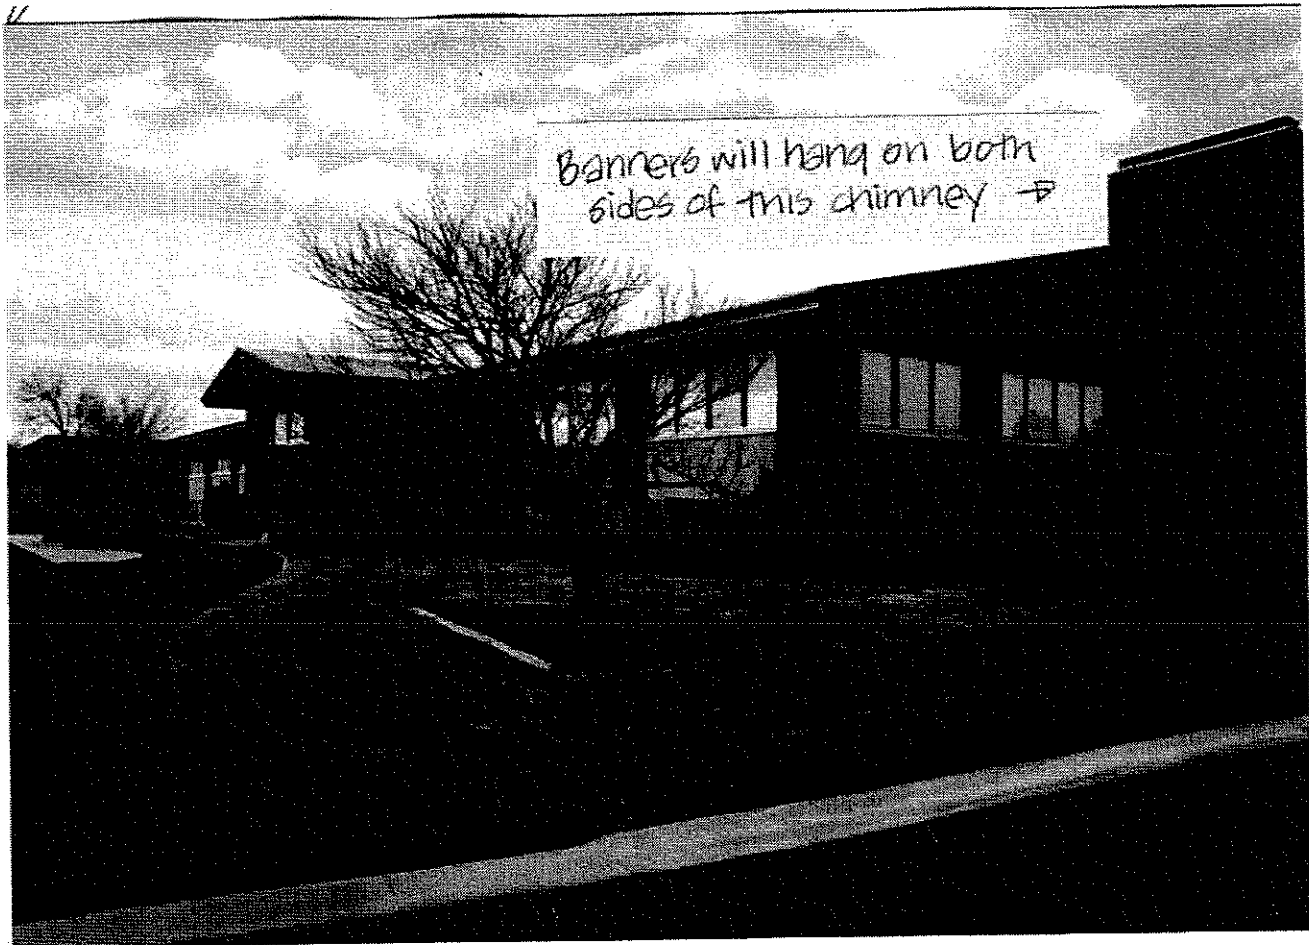

DeCloud Studios is a photography studio that specializes in senior portraits. Our busiest season is June 1st – September 30th. We would like to apply for an extension that will allow us to hang the banners through September. We are willing to pay for the additional permits.

Please let us know if this will be possible.

Sincerely,

~~Jonathan Aceardo~~
