RE: Interlocal Service Agreement between Johnson County Board of County Commissioners and the city for the Minor Home Revitalization Program

Attached is the subject Interlocal Service Agreement. It provides a grant of \$100,000 to the county to provide home repair services for income-eligible Overland Park homeowners. The program is designed to provide assistance with repairs that, if left unattended, would have a direct impact on health and safety of the Homeowner and stability of the home. In addition, Section VIII, Property Maintenance Exception, of the Agreement provides assistance to income-eligible homeowners to correct property code violations as cited by the Community Planning and Services Division of the Planning and Development Services Department. The grant reflects the proposal approved as part of the FY 2010 Community Development Block Grant (CDBG) program. The agreement will be effective May 1, 2010 through April 30, 2011.

The Agreement is written in accordance with the terms and conditions of the CDBG Program.

Staff recommends approval of the Agreement between Johnson County Board of County Commissioners and the city for the Minor Home Revitalization Program.
