Director of Public Works

Re: **BID TABULATION
PURCHASE OF 2 TANDEM AXLE CAB & CHASSIS' AND COMPLETED
ASSEMBLY OF SNOWPLOWS**

Policy Issue: City policy requires Governing Body acceptance of competitive bids for city vehicle purchases.

Recommendation: Staff recommends accepting the bid "A" from Diamond International for a total of \$335,084. Low bid from Diamond International (Bid "B") does not meet specs.

Background: In 2009 Johnson County Environmental Department requested Cities in Johnson County to participate in asking for grant money from the American Recovery and Reinvestment Act (ARRA). The grant will cover 25% of the cost of new trucks already scheduled to be replaced through the City's equipment replacement program. The City is purchasing 2 trucks in 2010 that were scheduled to be replaced in 2011 this year in order to take advantage of the funds from the ARRA grant.

Budget Impact: 75% will come from City equipment replacement fund and 25% will come from Johnson County grant (ARRA grant).

Attachment: Bid Tabulation.
