Re: Bid Tabulation – Bike/Hike Trail Asphaltic Construction & Overlay

Policy Issue: City Policy requires Governing Body acceptance of competitive bids for City projects.

Recommendation: Staff recommends awarding the bid for the Bike/Hike Trail Asphaltic Construction & Overlay project to the low bidder, DsD Construction., in the amount of \$163,924.00.

Background: This bid is for construction, repair and overlay of bike/hike trails at several park locations including Roe Park, Nall Hills Park, Lexington Park, Green Meadows Park, James Place, Corporate Woods Founders Park, Windham Creek Park, Creekside Park, Millers Woods and 133<sup>rd</sup> St. Greenway Linkage.

Budget Impact: Sufficient funds are currently allocated for this work using Special Park and Recreation Funds.
